

Third Meeting
Working Group on Climate Resilient Health Systems (CRHS WG)
Alliance on Transformative Action on Climate and Health (ATACH)

Online Zoom meeting in English with live interpretation in French, Spanish, and Arabic
18 October 2023, 2:00 – 4:00 PM Geneva time

Background information about the ATACH CRHS WG:

The ATACH WG on Climate Resilient Health Systems (CRHS) contributes to achieving ATACH's overarching mission of building climate resilient and sustainable health systems and realizing the ambition set at COP26. This WG's specific emphasis is on building climate resilience and adapting to current, emerging, and future health impacts and threats caused by climate change. To achieve this, the WG brings together WHO Member States and other stakeholders, leveraging their collective power to drive this agenda forward rapidly and on a global scale. Additionally, the WG promotes the integration the climate change and health nexus into national, regional, and global plans.

CRHS WG Co-chairs:

- Dr Aka Charles Koffi**, Director of the Cabinet of the Minister of Health, Ivory Coast
- Ms Carolyn Tateishi**, Director, Climate Change and Innovation Bureau, Healthy Environments and Consumer Safety Branch, Health Canada
